

**ICCCN 2006 CALL FOR PAPERS**  
**FIFTEENTH INTERNATIONAL CONFERENCE ON**  
**COMPUTER COMMUNICATIONS AND NETWORKS**

<http://sa1.sice.umkc.edu/iccn06>

**October 9 - 11, 2006**  
**Arlington, Virginia, USA**  
**Sheraton Crystal City Hotel (near Washington DC)**

**Sponsors\*: Technical Co-Sponsorship by Nokia (\*pending approval)**

ICCCN is a major international conference for the presentation of novel and fundamental advances in the field of Computer Communications and Networks. It also serves to foster communication among researchers and practitioners working in a wide variety of scientific areas with a common interest in improving Computer Communications and Networks.

**SCOPE:**

The primary focus of the conference is on new and original research results in the areas of design, implementation, and applications of Computer Communications and Networks. We invite you to submit papers that present challenging and innovative results. Topics of interest include, but are not limited to:

- **Sensor & Ad-hoc Networking**
- **Network Security and Dependability**
- **Peer-to-Peer, Grid, and Overlay Networks**
- **Optical & High-Speed Networking**
- **Wireless Mobile Networking**
- **Network Architecture & Hardware**
- **Internet Services & Network Management**

**IMPORTANT DATES:**

- Regular paper submission deadline: April 24, 2006
- Poster paper submission deadline: April 24, 2006
- Notification of acceptance: June 26, 2006
- Camera ready papers due: July 28, 2006

**SUBMISSION OF MANUSCRIPTS:**

Submitted manuscripts may NOT exceed 8 pages and must be submitted in standard IEEE camera-ready format (double-column, 10-pt font). Files should be submitted in Postscript or PDF format and formatted for 8.5x11-inch paper. Submitted papers may NOT have appeared in, nor be under consideration for, another journal or conference. The Program Committee reserves the right to NOT review papers that either exceed the above length specification or have been submitted or published elsewhere. Submissions must include the title, abstract, keywords, author(s) and affiliation, e-mail address(es), fax/phone number(s), and postal address(es). In case of multiple authors, indicate which author is responsible for correspondence about the submission.

**REVIEW AND PUBLICATION OF MANUSCRIPTS:**

All submitted papers will be reviewed and judged on originality, correctness, relevance, quality of presentation, and technical strength and significance. An accepted paper must be presented by one of the authors at the conference venue and must be limited to 6 pages (with an allowance of up to two extra pages at a cost of US\$150 per extra page beyond 6 pages if the paper is accepted for publication) in standard IEEE camera-ready format (double-column, 10-pt font). ICCCN06 proceedings will be published by the IEEE Communications Society.

**STUDENT POSTER PAPER SESSIONS:**

The conference includes student poster sessions that highlight recent and ongoing research that has not been published elsewhere. An electronic (Postscript or PDF) version of the poster must be submitted to the conference website, along with a 200-word abstract. The first author of the poster must be a student at the time of submission; the student is expected to attend the conference and be available for discussion during the poster sessions. Accepted abstracts will be published in the conference proceedings. Students with accepted posters receive a discount from the regular conference registration fee. The paper and poster sessions are two fully independent conference tracks with separate review procedures. Submitted papers are NOT considered for poster sessions, and poster submissions are NOT considered for paper sessions. Submission of identical research material to both paper and poster sessions is not permitted.

## STUDENT FORUM:

We encourage submissions from students. Travel assistance may be available for students with top quality papers. The student must be the first author of accepted paper and must attend and give presentation to be qualified.

### BEST PAPER AWARDS

ICCCN plans to award one best paper in each of the three following areas:

- Theory & Simulation
- Systems Software
- Hardware and Architecture

The authors of each paper will be recognized at the conference.

Please contact the Program Co-Chairs below with any questions:

Prof. Wu-chun Feng  
Department of Computer Science  
Virginia Tech  
Blacksburg, VA 24061  
feng@cs.vt.edu  
+1 540-231-1192 (voice); +1 540-231-6075 (fax)

Dr. Katherine Guo  
Center for Networking & Network Management  
Bell Laboratories, Lucent Technologies  
101 Crawfords Corner Road, Room 4G-506  
Holmdel, New Jersey 07733  
kguo@bell-labs.com  
+1 732 949 8956 (voice); +1 732 949 4513 (fax)

### Conference Organizers:

**General Chair:** Yuanyuan Yang, SUNY-Stony Brook; yang@ece.sunysb.edu;  
+1 631 632 8474(voice); +1 631 632 8494 (fax)

**Program Chairs:** Wu-chun Feng, Virginia Tech; Katherine Guo, Bell Labs/Lucent Technologies

**Publicity Chair:** Dr. Nasir Ghani, Tennessee Tech University, (931) 372-3046, nghani@tntech.edu

**Local Arrangement Chair:** E.K. Park, UMKC, ekpark@umkc.edu; +1 816-235-1497

### Vice-Program Chairs:

#### 1. Internet Services & Network Management:

Xiaodong Zhang, The Ohio State University, <http://www.cse.ohio-state.edu/~zhang>  
zhang@cse.ohio-state.edu

#### 2. Network Security and Dependability

Dongyan Xu, Purdue University, <http://www.cs.purdue.edu/people/dxu>  
dxu@cs.purdue.edu

#### 3. Peer-to-Peer, Grid, and Overlay Networks:

Bobby Bhattacharjee, University of Maryland, <http://www.cs.umd.edu/~bobby/>  
bobby@cs.umd.edu

#### 4. Optical & High-Speed Networking:

Debanjan Saha, IBM T.J. Watson Research Ctr, <http://debanjan.sahafamily.com/>  
dsaha@us.ibm.com  
Dimitris Pendarakis, IBM T.J. Watson Research Ctr  
dimitris@us.ibm.com

#### 5. Wireless Mobile Networking:

Wenye Wang, North Carolina State University, <http://www4.ncsu.edu/~wwang/>  
wwang@eos.ncsu.edu

#### 6. Sensor & Ad-hoc Networking:

Junshan Zhang, Arizona State University, <http://www.eas.asu.edu/~junshan/>  
junshan.zhang@asu.edu  
Sherman Shen, U. Waterloo  
xshen@bbr.uwaterloo.ca

**7. Network Architecture & Hardware:**

James P.G. Sterbenz

University of Kansas (US) and Lancaster University (UK)

<http://www.ittc.ku.edu/~jpgs>

[jpgs@comsoc.org](mailto:jpgs@comsoc.org)
