

**ICCCN 2008: CALL FOR PAPERS**  
**17TH INTERNATIONAL CONFERENCE ON**  
**COMPUTER COMMUNICATIONS AND NETWORKS**

<http://iccn.org/iccn08/>

**August 3 – 7, 2008**

**Frenchman's Reef & Morning Star Marriott Beach Resort**  
**St. Thomas, Virgin Islands (USA)**

**Sponsors:** IEEE ComSoc (Technical Co-Sponsorship)  
IEICE (Technical Sponsorship, TC on Network Systems)

ICCCN is one of the leading international conferences for presenting novel and fundamental advances in the fields of Computer Communications and Networks. It also serves to foster communication among researchers and practitioners working in a wide variety of scientific areas with a common interest in improving communications and networking related techniques.

**SCOPE:**

The primary focus of the conference is on new and original research results in the areas of design, implementation, and applications of Computer Communications and Networks. We invite you to submit papers that present challenging and innovative results. Please submit your papers to one of the tracks listed below for the conference.

<ul style="list-style-type: none"><li>• Optical Networking</li><li>• Pervasive Computing and Mobile Networking</li><li>• QoS Control and Traffic Modeling</li><li>• Cross-Layer Design and Optimization</li><li>• Signal Processing for Communications</li><li>• Network Security</li><li>• Cognitive Radio Networks</li><li>• Communication and Information Theory</li></ul>	<ul style="list-style-type: none"><li>• Internet Services and Applications</li><li>• Multimedia Networking</li><li>• Networking Algorithms and Performance Evaluation</li><li>• Future Internet Architectures and Protocols</li><li>• Wireless Sensor Networks: Platforms, Systems, Architectures and Applications</li><li>• 3G and Beyond</li><li>• Wireless Platform: Applications and Testbeds</li><li>• Protocols and Algorithms for Wireless Networks</li><li>• General Topics</li></ul>

**IMPORTANT DATES:**

**NEW Paper submission deadline: ~~February 17, 2008~~ March 9, 2008**

**Notification of acceptance: May 5, 2008**

**Paper registration: May 20, 2008**

**Camera ready papers due: May 22, 2008**

**SUBMISSION OF MANUSCRIPTS:**

Submitted manuscripts must be of length up to 6 pages unless the authors are willing to pay the over-length charges at the time of publication (manuscripts may NOT exceed 8 pages). The manuscripts must be submitted in standard IEEE camera-ready format (double-column, 10-pt font). Files should be submitted in PDF format and formatted for 8.5x11-inch paper. Submitted papers may NOT have appeared in, nor be under consideration for, another journal or conference. The Program Committee reserves the right to NOT review papers that either exceed the above length specification or have been submitted or published elsewhere. Submissions must include the title, abstract, keywords, author(s) and affiliation, e-mail address(es), fax/phone number(s), and postal address(es). In case of multiple authors, indicate which author is responsible for correspondence about the submission.

Papers should be submitted to one of the above tracks through the [EDAS](#) submission server.

The direct link to submission is <http://edas.info/newPaper.php?c=6067&> . Please submit to the General Topics track if you are unable to choose any of the other tracks. The TPC chair and vice-chairs will assign the paper to the appropriate track.

#### REVIEW AND PUBLICATION OF MANUSCRIPTS:

All submitted papers will be reviewed and judged on originality, correctness, relevance, quality of presentation, and technical strength and significance. An accepted paper must be registered and presented by one of the authors at the conference venue and must be limited to 6 pages (with an allowance of up to two extra pages at a cost of US\$150 per extra page beyond 6 pages) in standard IEEE camera-ready format.

**Each FULL registration covers up to THREE papers by an author.**

#### BEST PAPER AWARD:

ICCCN08 plans to award one best paper and authors of the paper will be recognized at the conference.

#### WORKSHOPS:

ICCCN08 features satellite workshops. Workshop proposals should be submitted to the workshops co-chairs, Prof. Xiaolin (Andy) Li at [xiaolin@cs.okstate.edu](mailto:xiaolin@cs.okstate.edu) or Prof. Yunhao Liu at [liu@cs.ust.hk](mailto:liu@cs.ust.hk). The details of Call for Workshop Proposals can be found on the ICCCN08 Web site.

#### KEYNOTE & DISTINGUISHED TALKS AND PANELS:

This year around 25 high-profile scientists will be speaking at the conference. Detailed information about these talks can be found at
